Parks intern, Arya, volunteered two days per week at Stafford Lake Park in July, 2012. Arya assisted with creek clearing, pruning, hauling, weedwhipping, picnic area cleanup, and turf mowing. He also worked

to clean up the main parking lot at Miller Boat Ramp in Marshall- collecting and hauling dead cypress branches, litter pick up, raking and sweeping, weedwhipping, and paved area cleaning with the back pack blower. When asked what he enjoys most in a volunteer assignment, Arya replied: "I enjoy the feeling of helping my community."
